IRVINE, CA – (August 13, 2015) – Core 3 Technologies, an industry-leading value added distributor, has been named the #3025 Fastest Growing Company in America by *Inc.* Magazine's 5000 list. The list represents a comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Zappos, Microsoft, Clif Bar, Patagonia, Oracle, GoPro, and many other well-known names gained early exposure as members of the Inc. 5000. Core 3 Technologies joins FitBit, Smashburger, Planet Fitness, Giftcards.com, Box, and Mindbody on this year's list.

"We are tremendously honored for the privilege to be ranked again on Inc.'s prestigious and meaningful list that validates the hard work, passion, dedication and focus of everyone at Core 3 Technologies," said Chris Bergen, Managing Partner of Core 3 Technologies. "This award, along with other recent recognitions, continues to solidify our position as an industry-leading value added distributor."

The 2015 Inc. 5000, unveiled online at Inc.com and with the top 500 companies featured in the September issue of Inc. (available on newsstands August 18 to September 22) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 490%. The Inc. 5000's aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000).

President and Editor-In-Chief Eric Schurenberg. "You have to remember that the average company on the Inc. 5000 grew nearly six-fold since 2012. Speakers include some of the greatest entrepreneurs of this and past generations, such as Marcus Lemonis, host of the CNBC show "The Profit," Robert Herjavec, one of the main "sharks" on ABC-TV's "Shark Tank," KIND Founder and CEO Daniel Lubetzky, and Co-Founder of Goodshop.com JJ Ramberg.
